

SPRING SPECIAL

Save \$70.00*

ON YOUR ANNUAL CLEAN BURN BURNER MAINTENANCE!!!

Send your complete **CLEAN BURN** burner to
Northwest Industrial Equipment (NWIE) by July 31, 2026
and take advantage of our \$629.00* annual burner maintenance special.

Burners received between August 1 and September 30, 2026 - \$659.00*.

Burners received after September 30, 2026 serviced at regular price - \$699.00*.

Don't Be Late! **ACT NOW** for your **\$70.00** savings on labor costs.

Terms of special based on burners serviced on a regular basis by NWIE. Burners that are received disassembled or not maintained to factory specifications may be charged standard shop hourly rate of \$199.00/hour for labor, to be determined upon arrival of the burner at NWIE.

***NOTE** - These prices do not include parts, shipping, and Washington State tax for in-state business which will be added to the total billing. Contact us with any questions.
